School budget rejected: Council cuts \$125,000

Survey Council, at a special meeting with Survey School Board on Monday evening, has asked the Board to "lop off" \$25,000 from the ordinary estimates of expenditure. Extraordinary estimates of \$100,000 had previously been rejected by Council.

Present ordinary estimate is \$80,000, which the government provides 50 per cent, with municipal share \$32,144.

It was pointed out the Board requires 22 class rooms for September and some means must be provided to enable them to carry out the provisions of the School Act who give education for all children. But it was countered "who is going to pay for it and where is the money coming from?"

John Hunter, White Rock, was named as arbitrator for the Council if the dispute goes to arbitration.

WHITE ROCK FIRE DEBENTURES TAKEN

Survey Council's offer of \$75,000 for the purchase of White Rock fire debentures authorized by a bylaw totaling \$100,000 in value has been accepted by the Bank of Montreal, Caledonia. The offer includes \$75,000 principal plus accrued interest of \$12,738.

Council also endorsed the purchase of the Provincial Compensation Board, at least one industrial first-aid attendant be secured as provided for in W.C.B. first-aid requirements and the installation of fire-alarm in the Municipal work yard.

The Board also requested that a stretcher be provided with all crews at gravel pit crushers and existing fire trucks be checked over and filled with equipment as required by the Board.

FAIR PLANS LAID; \$250 VOTED FUND

Another \$250 was voted to the ever-growing hospital fund at the monthly meeting of the Hospital Auxiliary executive and group leaders meeting held Thursday, March 5 in the White Rock Lodge.

Plans for the Country Fair and Dance in the Silver Moon Hall in April were discussed. The Fair will include stalls entered by various local organizations as well as exhibits of individual contributors.

TAKE CHARGE

Convener of the annual Fair will be Mrs. W. H. Bruehl, house auxiliary president, assisted by Mrs. R. C. Mathieson as co-convenor. In charge of tea arrangements are Mrs. George Roberts, Mrs. J. P. Baker and Mrs. M. M. Loding.

Mrs. V. A. McPherson is in charge of stall entries assisted by Mrs. John Dingwall and Mrs. D. C. McDougall, and decorating will be in the able hands of Mrs. E. Mason, Mrs. Eric Bernthal and Mrs. W. S. Patry.

Mr. H. R. Hinchin is in charge of the door and Mrs. H. R. Hinchin is in charge of the door.

A nominating committee, consisting of Mrs. E. Mason, Mrs. Lane Hicks and Mrs. Don Stuart, was appointed to bring a proposed slate of officers for the annual meeting, April 1.

GROUPS BUSY

The auxiliary will be raffling a brown fox for the benefit of Mrs. A. P. McLean in charge of the fund.

Although the Auxiliary ladies are working hard on their stalls for the fair, they are also busy raising money in various other ways. Silver Tea, card parties, book knitting, raffles and bazaars have been constant features in the past and continue to be popular.

The Goldcutt Group are holding a card party March 13, and the Knitting Group are showing the film, the Great Migration, and are holding a Canada party on March 21.

One of the outstanding projects for February was the Goldcutt Group's plan to enable the group to turn over \$1,000 to the Auxiliary. The group has made a total of nearly \$1,000 raised by the Hospital Auxiliary since February 1.

Edna Krewer, Chris Uppard, Heather Walker, Margot McCarthy, Donna Menden and coach Les Martin. The girls journey to Kamloops tomorrow for the B.C. Playoffs.

ZONE APPEAL COURT NAMED

C. Ray Bewell, George Scott and F. O. Jones have been constituted a Court of Appeal under the Provincial Town Planning Act to consider appeals against decisions of the Survey Zoning Bylaw which is now being prepared.

This bylaw, representing much work and planning over the past two years, is designed to set up zones for residences, commercial areas, light and heavy industry sites at suitable locations.

Survey offers \$540,000 bonds; sewer included

Survey Municipal Finance Committee Chairman Clifford Lloyd Atchison was instructed by Survey Council Monday to contact bond houses to obtain a favourable price for the \$540,000 covering sewer and water projects in the municipality.

These projects include Grandview Heights water project for \$125,000 and the Newton-Water extension bylaw for \$425,000, which have already been authorized but awaiting necessary funds to start their work.

Water Rock sewer extension from the highway \$100,000; White Rock sewer extension 10,000; and South Westminster for installation of sanitary drainage \$225,000. These latter have not been discussed.

Reeve Charles Schultz believes all these projects are essential but it is impossible to undertake them unless the money is at hand.

Councillor E. A. Pitman was concerned over the deficit of \$100,000 to the end of December. He said the sewer project at White Rock, together with the water project, would cost \$325,000. He said there are 131 families in the present area who are not yet connected to sewer.

He considered it poor business not to compel them to connect as it would go to waste to make the project self-sustaining. He commended the project to the public.

It "should be made to pay," he said, "and it should be made to pay."

He said it should be made to pay for extension of the system.

Confusion in school costs by committee read

Charges of "collusion, alarm, panic and confusion" in the B.C. education system highlighted a meeting of White Rock Ratepayers' Association in Canadian Legion Hall last Thursday.

Reporting for the school committee P. Middleburgh castigated the Board for its confusion and charged the management of B.C. education was in too small a group.

B.C. Teachers' Federation has made a formula to get most of what they want—collusion can be nice at times, said McKie. The Board should be taking more control over school spending he told the audience.

The speakers' salary schedule was looked into and revised. It is of their own manufacture. We are not getting value for our dollar.

LITTLE CONTROL

The meeting adopted a resolution drawn up by the committee, which had previously been approved by the executive and sent to Survey Council. Text of the resolution read: "That this association is alarmed at the runaway trend of the education costs and feel that immediate action should be taken to hold the line until some of the measures to reduce the costs of education."

The resolution was read and felt that immediate action should be taken to hold the line until some of the measures to reduce the costs of education. The resolution was read and felt that immediate action should be taken to hold the line until some of the measures to reduce the costs of education.

EMERSON BROWN, PIONEER FARMER, PASSES AT 84

The entire Bay area will feel the loss in the passing of Emerson Knard Brown in his 84th year at the Royal Columbian Hospital, Friday morning, the day he expected to be released of care and infirmity.

Funeral services were held Thursday, March 10, at 2 p.m. from the Chapel Hill Funeral Parlor, Rev. E. Pitt Griffith officiating. Cremation followed.

A resident of White Rock for 15 years, his winning way and good neighbourhood endeared him to his countless residents. Neighbours found him an example of energy and initiative.

Awake at 4:30 a.m. he was about his chores on his miniature farm animals, and in the dawn, working steadily through the day, ending a hard day's work.

He was a pioneer farmer, and in his early days he was engaged in the lumbering business. He was a pioneer farmer, and in his early days he was engaged in the lumbering business.

During his two months of hospitalization his soil was idle, his farm animals, and his dairy, sheep and friendly persons missing. The neighbourhood was the same.

Born in the Niagara area, the son of a lay preacher, farmer, he was a pioneer farmer, and in his early days he was engaged in the lumbering business.

Upon his marriage in 1888, he took his bride to his father's farm at Wainfleet, Lincoln County, where they farmed 200 acres successfully for several years before moving on to the Peace River.

He operated a milk business, before moving west to Burdett, where he was a pioneer farmer, and in his early days he was engaged in the lumbering business.

AROUND TOWN

POPULAR LOCAL GIRL FETED PRIOR TO OVERSEAS POSTING IN PARIS

Two brief, party-filled weeks spent as a dream for ANU Beverly Schou as she prepared for her pre-overseas leave with her parents, Mr. and Mrs. Gene Schou, Washington Avenue, prior to sailing on the "Scythia" for La Havre, France.

Twenty-one "ambassadors for Canada" were in her party as she set sail from Halifax, Friday at 4 p.m. E.S.T. These far as the RCAP is concerned having been carefully chosen from the now enlisted 200 Canadian airwomen.

C. O. Bidlake, in charge of the training in the Vancouver area, encouraged Beverly from the beginning, recognizing in her a young woman with initiative, intelligence and confidence. P. O. Bidlake takes an active interest in each recruit, encouraging them to progress in the line for which they are being suited. "We never put a girl in a job she doesn't want," she said, "because if we do, she won't be happy and she won't do a good job."

Serving as a stenographer for the RCAP in Paris is a job for which Beverly is well trained. In her high school days at the five years in French at Westminster's Duke of Cornwall and more recently received her diploma in a local lawyer's office.

Beverly's parents and brother Albert were pleased and somewhat relieved to receive a phone message from her prior boarding ship in Britain, fax and a reassuring telegram from home. The two-day partying will be shortened, even somewhat by the proposed continental trip planned by Mr. and Mrs. Schou and their sons. Plans call for a visit to Beverly in Paris, a northern trip to Norway, where Mr. Schou's native land, and a scenic trip to the British Isles which will include a visit to Mrs. Schou's birthplace, Cheshire.

Semi celebrates Posture Week

This week in case you didn't know it is "Posture Week". That is to say, that this week everyone is supposed to watch his or her posture even more carefully than usual.

Most people seldom think of posture, except when very poor or very good posture is strikingly in evidence. Poor posture is a habit to be broken, but actually it isn't as comfortable as good posture. (This is particularly noticed in a typing class.)

Miss Gloghery, Effective Living teacher, has come up with what she hopes will help "straighten up" the students of Semiahmoo. With the aid of her Effective Living classes, she has made posters and signs and placed them in the hallways throughout the halls of the school. She is also starting a "Posture Queen" contest of Semiahmoo. This is being achieved by having every girl in the school wear a ribbon. If another girl catches her slumping, or slouching, or having poor posture in any manner, she has the right to take away the ribbon. The girl who still has her ribbon at the end of the week will be crowned "Posture Queen."

This is a new idea, and one which, we hope, will turn out successfully.

CAN YOU MATCH THEM?

Semi is looking very prosperous these days, what with a whole row of cars parked in front of the school all belonging to the students.

Any you up to date on their owners? If you think so, try to match them up!

We see that there has been extra entertainment at noon hour.

Besides the volleyball, we have had the boys tumbling.

There have certainly been a lot of straight-backed girls this week. We wonder who will last out the longest?

The seniors are very curious as to what the juniors are doing. We see them rushing around in costumes, singing and dancing, but they won't tell what is going on.

The Hemi '22. Girls really didn't use as many pots and pans as you may have seen on Friday boys. It was only "inventory" day.

Apparently it doesn't pay to talk on the playground when it's Phys. Ed. period. That adds up to running around it, twice, doesn't it, girls?

Good start but poor finish for senior boys

It looked like a sure win for the senior boys Friday, when they met the Mission boys at the opposing team's gym. The game got off to an exciting start when Ed. Terry scored for Semi, the first in the game.

Both teams were fighting hard and Mission broke away to tie up the game. Much later Mission went into the lead and Ernie F. tied it then. At quarter time Mission was leading by the thin margin of 13-10.

In the second quarter Mission went ahead slowly, by passing, shooting and gaining shots. The Hemi, led by Ed. Terry and Mission 22.

Semihom boys tried hard to redress their lead but they just couldn't hold Mission down and at three-quarter Mission had 37 to Semi's 22.

In the last quarter Semi lost scored again, in spite of the Semihom boys attempt to hold them down.

At full time the score in favour of Mission was 58-28.

The boys got off to a good start but ended up badly. Their fighting spirit was good, and helped by Semiahmoo fans they played their best. The scorers of the evening were as follows: Ed. T. 9, Ernie F. 5, Carl W. 8, Ray S. 4, Bud S. 2, A good try, boys.

REPORT FROM VICTORIA

HI-Y CONFERENCE

By BETTY JAMES

The annual conference of the Girls H.Y. was held this week in Victoria. Students elected to the H.Y. were: Diana Brown, president; Winnifred Cameron, Mollie Ann Andlauer and Betty James, Miss Gloghery also attended as advisor.

After an enjoyable trip, the girls were met at the Y by their various blimps. Welcome speeches were made, then the girls trooped off to their hostesses' homes for supper, some shopping in at the museum and Parliament Buildings on their way.

In the evening a gay masquerade ball was held. Disguised costumes of many types, songs, games and skits were presented by various schools and afterwards refreshments were delightfully eaten. A closing ceremonial ended Friday's hours of pleasure.

At 9 Saturday morning more welcoming speeches were made followed by the Opening Ceremony. Nine forty-five a.m. saw the girls bustling to their chosen workshops which were:

The Royal Courts of Physical Activity, Mental Activity, Social Activity, Spiritual Activity and Membership Activity. Approximately an hour was then allotted for sight-seeing or just free time.

After time out for lunch and singing, workshops were again held. In the three hours free time following, Victoria saw many new faces eagerly exploring the interesting shop windows.

In the evening the State Dinner was held, with many interesting speakers, including the Worshipful Mayor C. Harrison of Victoria. Following this, the girls were entertained by various members of the H.Y. When closing speeches and group singing were over, the girls attended parties given by Victoria High School and others.

On Sunday morning the group gathered at an impressive service in St. Andrew's Church. With lunch finished and goodbyes said, the Princess Marguerite headed for home carrying many tired, but thrilled girls.

Dear George,

I'm glad to hear that you are coming up to spend the last week in March with us. On March 27, that's a Friday, by the way, there is going to be a musical comedy presented in our high school gym. The teachers of Surrey are getting together to entertain the public with an opera called "ERMINIE".

The story is told in song and dialogue, colored with costumes and dance, and spread with comedy and drama.

Please let me know if you would like to see the play and I'll try to get the tickets now.

Love,

BILL

CHEESE COOKERY

Try these substitutes for variety in menus

Cheese is a perennial favorite and being rich in protein, fat, minerals and vitamins, is an inexpensive substitute for meat and fish. Cheese is one of our most valuable foods and should have a prominent place in the meals of both adults and children.

Like milk, it is almost a perfect food. It contains most of all the proteins of milk, which are body-builders. Large percentage of fat which makes it a valuable source of energy, a good source of minerals, particularly calcium and phosphorus and also some vitamins A and B complex, each of which is essential to good health.

Cheese should be cooked at low temperatures, being heated just to melting point as the protein toughens with extreme heat.

With Lenten meals to plan, this ideal food is especially valuable in meat planning. Many wonderful "old time" and new recipes make good use of both bulk Canadian cheese or processed cream cheese.

CHEESE BREAD

I have had many requests for this delicious bread.
2 cups water, milk or potato water
1 package yeast
1 tablespoon sugar
1 tablespoon salt
6 cups sifted all-purpose flour
3 tablespoons shortening
2 eggs, melted
2 cups grated cheese

Scald liquid and cool to lukewarm. Take out ½ cup of this liquid, add 1 teaspoon sugar and sprinkle yeast over top. Let stand 10 minutes. Dissolve sugar and salt in remaining liquid and add to yeast mixture. Add 1½ cups flour, beat well and add melted shortening, blending well. Add remaining flour mixed with grated cheese, making a stiff dough. Knead well on a floured board. Place in a large, greased bowl and let rise until double in bulk. Knead slightly, shape into loaves, place in well greased loaf pans and let rise until doubled, about 1 hour. Bake at 375 degrees about 1 hour. Makes 2 loaves.

degrees for 45 minutes. Serves 1

SUPPER CHEESE MOLD

This is a delightful Lenten dish.
2 ½ cups evaporated milk
1 tablespoon gelatine
6 tablespoons cold water
1 cup boiling water
1½ cups grated nippy cheese
1 teaspoon salt
Dash cayenne
2 teaspoons onion juice
1 teaspoon prepared mustard
1 cup finely chopped celery
Cooked frozen, canned or fresh asparagus or whole green beans.
Pour evaporated milk in

freezing tray and chill until ice crystals form around edge. Soak gelatine in cold water. Dissolve by boiling water. Chill until slightly thickened. Whip 2 cups evaporated milk. Add grated cheese, salt, cayenne, onion juice, mustard and celery to whipped milk, and thickened gelatine to cheese mixture. Mix thoroughly. Oil or butter a 10 inch square pan. Moisten mold and line sides. Cooked asparagus tips or green beans. Your own choice of cheese mixture to hold asparagus or bean bottoms in place. Chill. Fill mold with remaining cheese mixture and allow to set. Cut with sharp knife. Garnish with tomato slices and parsley.

RICE AND CHEESE CASSEROLE

This is a quick casserole dish that you will be sure to enjoy.
2 eggs
3 cups cooked rice
1½ cups grated cheese
½ cup milk
1 teaspoon salt
Dash cayenne
1 teaspoon Worcestershire sauce

1 cup corn flakes
2 teaspoons melted butter
Tomato sauce
Beat eggs slightly, combine with cooked rice, cheese, milk and seasonings. Mix well. Turn into greased casserole dish. Crush corn flakes into fine crumbs and mix with melted butter. Sprinkle over rice mixture. Bake at 350 degrees about 30 minutes. Serve with tomato sauce.

5 tablespoons shortening
3 tablespoons butter
¼ cup cream cheese
2 cups ice water, approximately
Sift flour, measure and sift with salt. Cut in shortening and butter, then these until fine. Add cold water to form stiff dough. Roll to ¼ inch thickness. Cut with sharp cutter. Put ¼ teaspoon jelly on each circle and fold over, sealing tightly. Bake in a hot oven, 400 degrees, about 5 minutes.

This dish makes use of left over vegetables and can be made with a variety of different ingredients for meatless meals.
4 tablespoons shortening, butter or margarine
4 tablespoons flour
Salt and pepper
2 cups milk
1 cup grated cheese
Bread crumbs
1 egg

THIS IS DISCRIMINATION
We Place Our Case Before
The Bar of Public Opinion
(Final Article No. 2)

We, the employees of the Provincial Government, have recently charged the Government with "stalling" on our request for the right to Arbitration of our working conditions. Our Association has stated that in so stalling, the Government is denying its own employees a right which is guaranteed by the B.C. GOVERNMENT CIVIL RIGHT guaranteed by law to ALL OTHER EMPLOYEE GROUPS THROUGHOUT THE PROV. they true, half-true, or false?
INCE: What are the facts behind these charges? Are

FACT NO. 1: Government Employees have, for some years, requested the right to Arbitration. On December 1, 1952, the B.C. Government Employees' Association presented a formal request to the present Government for this right. At subsequent meetings the Government stated that it required a further six months delay, but gave no reason for the delay. It was rejected on the grounds that such a delay amounted to a rejection of the PRINCIPLE of Arbitration. Our Association subsequently stated that we were prepared, at any time, to sit down with the Government and work out the details involved in granting the right to Arbitration, but that the Government should not require a further six months to study the PRINCIPLE involved, which is NOW a civil right. We feel that the Government's move to postpone decision on our request simply means, in parliamentary parlance, that our proposal will be killed.

FACT NO. 2: In 1947 the Government of that day passed the Industrial Conciliation and Arbitration Act in an effort to promote industrial peace. The Act provided for a regulated bargaining procedure with provision for conciliation and arbitration, but ITS PROVISIONS WERE NEVER EXTENDED TO GOVERNMENT EMPLOYEES who continued to be treated as SECOND-CLASS CITIZENS. On April, 1953, the Government established a Legislative Committee (known as the Ash Committee) to inquire into the provisions of the Act and to recommend its improvement. In February, 1953, this Committee released its findings, and ALL MEMBERS OF THE COMMITTEE UNANIMOUSLY RECOMMENDED EXTENSION OF THE RIGHT TO ARBITRATION FOR GOVERNMENT EMPLOYEES. The Government has never implemented the findings of this Committee.

FACT NO. 3: Last Spring, just prior to the Provincial Election, the B.C. Government Employees' Association contacted 185 candidates throughout the province to ascertain their views on the right of Government employees to arbitration. 131 took a definite stand in favour. 29 out of 42 of the present Government's candidates were in favour. 11 of those who were ultimately elected expressed their agreement with the principle. Six of these who became Cabinet Ministers (a majority of the Cabinet) were in favour.

The B.C. Government Employees' Association feels that by their continued refusal to act on previous recommendations, the Government has forced us to appeal to a higher court—the court of public opinion. We therefore urge you—the people—to write or wire your M.L.A. TODAY asking him to support, on the floor of the Legislature, the right of Government employees to Arbitration—a right now commonly endorsed by all other groups of employees throughout the Province.
